

# 2022 – 2023 Leader2Leader Collaborative Cohort Now Forming

The Partnership for Excellence’s Leader2Leader Collaborative is a year-long professional development program, which is grounded in the Baldrige Excellence Framework and consists of educational sessions, best practice sharing, peer networking & collaboration, and leadership growth. Each cohort begins with a strategy session where participants engage in team building activities, hear lessons from Baldrige recipients, conduct a mock strategic planning session, and establish goals for the year. On three occasions, throughout the year, participants will participate in a day of best practices led by Baldrige/TPE award recipients. Sessions will be conducted virtually or in-person, if available. In between sessions, participants engage in webinars, mentoring calls, and TPE’s annual Quest for Success conference. The year ends with participants presenting their process improvement project and graduation.

## Purpose of L2L Collaborative

- Provide a leadership development opportunity that is grounded in the Baldrige Excellence Framework
- Provide peer group networking for senior leaders throughout Ohio, Indiana and West Virginia
- Develop future leaders for organizations
- Ensure leadership support and alignment for organizations on the Baldrige journey

## The program focuses on:

- Benchmarking and deep dives into the Baldrige Excellence Framework
- Organizations that are on or early on the Baldrige journey

## What makes this program unique

- Curriculum is grounded in Baldrige Excellence Framework
- TPE has an extensive network of leaders from Baldrige recipients to lead sessions, webinars & mentoring
- Participants customize webinar topics based on outcome of first session
- Participants develop lifelong relationships with members of cohort

## Kick-off Strategy Session – November 16, 2022

*“Excellence is not an act, but a habit.” - Aristotle*

## Structure of L2L Collaborative

- Kick-off & Strategy Session in November
- Three one-day best practice sharing sessions led by Baldrige / TPE Award recipients (on-site or virtual)
  - ½ day learning & experiencing host’s best practices
  - ½ day interactive session applying learning
- Attend/participate in 2023 Quest for Success
- 8 webinars - months between best practice sessions
  - Topics customized by cohort in first session
- Quarterly mentoring calls – 1:1 with Baldrige expert
- Presentation of process improvement project & graduation
